### Help Ensure Their Future

Group Level Term Life Insurance can help your family continue to live comfortably if anything happens to you. It creates an instant estate to help supplement the loss of your income or your spouse's/ domestic partner's income, making it easier for your loved ones to pay for immediate expenses, as well as long-term debts such as a mortgage or your children's educations.

### Find Out About the Plan's Eligibility Requirements

All ACS members and Society Affiliates, under age 55, and their lawful spouse/ domestic partner, under age 55, residing in the U.S.\* (except territories), Puerto Rico, or Canada (except Quebec), and all unmarried dependent children through

age 25 are eligible to apply for coverage. In order to become insured, individuals must be a member of the ACS, provide satisfactory evidence of insurability, and pay the required premium. A dependent who is also a member is eligible for either member or dependent coverage, but not both. If both the member and spouse/domestic partner are covered as members, neither may insure the other as spouse/domestic partner and only one may insure any eligible children.

\*Certain state restrictions apply.

### Learn What Happens After the Initial 20-Year Term

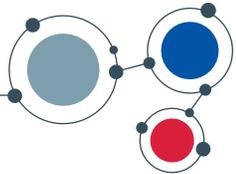

If still eligible, you and your spouse/ domestic partner may reapply for a subsequent 10 or 20-year term at the rates in effect at that time. Rates for the

subsequent term would be determined based on your then current age, health, and tobacco/nicotine use, and be guaranteed for the 10 or 20-year term. If you don't apply or aren't approved for another term, your coverage will continue, but on a non-guaranteed rate basis, with increasing premiums as you age. Call the Plan Administrator for details.

### 30-Day Free Look

If you are not completely satisfied with the terms of your Certificate of Insurance, you may return it, without claim, within 30 days. Your coverage will be invalidated and you will receive a full refund—no questions asked!

## Accelerated Death Benefit

An insured member (or insured spouse/domestic partner) would be eligible to request one advance payment of up to 75% of your in-force life insurance if you are diagnosed as terminally ill with a life expectancy of 12 months or less (Illinois residents, 24 months). You can use all the money received under the accelerated death benefit in any way you choose—pay bills, maintain your quality of life, or for any other financial obligation—to help ease the burden during a difficult time. Full premiums will continue to be payable. Please note that receipt of the accelerated death benefits may affect your eligibility for public assistance programs and may be taxable. Prior to applying to receive such benefits, you should consult with the appropriate social services agency and seek the advice of a qualified tax advisor. Please see the Certificate of Insurance for full terms, conditions, and limitations.

**Note:** The accelerated death benefit is not available to residents of Massachusetts.

## Manageable Payments

Rates shown are on an annual basis per \$1,000 of coverage (see the rate chart on the next page). Semiannual payments (April 1 and October 1) may be made by check, credit card, electronic funds transfer, or using the ACS Member Insurance Online Pay website.

## Effective Date

Coverage will take effect on the date the request for insurance is approved by New York Life, provided the person to be insured is performing the normal activities of a person in good health of like age on the date of approval (residents of Maryland and North Carolina: Any reference to “performing normal activities of a person in good health of like age” is replaced by the requirement that the health status of any proposed insured person remain the same as stated in your application). The normal activities requirement does not apply to dependent life coverage for children.

## When Coverage Ends

Coverage will end when the insured member or spouse/domestic partner reaches age 75 (26 for children) or earlier if: premiums are not paid when due; the group plan is terminated or modified by the policyholder to end insurance for the group of insureds to which the member belongs; or the insured requests to terminate the insurance. Dependent child coverage will terminate when the child is no longer an eligible dependent.

## Exclusions

Benefits are paid for death from any cause, at any time, anywhere in the world,\* except if relating to suicide within 24 months of coverage approval date. (Missouri residents: suicide is not excluded unless intended when you applied.) The validity of any amount of your life insurance, which has been in force for two years during an insured’s lifetime, will not be contested except for insurance eligibility provisions and non-payment of premium contributions.

*\*Subject to U.S. government regulations on restricted countries.*
