The average increase in insurance costs as you age is 8%*—why not lock in a flat rate for the next twenty years while you can?¹

Gain peace of mind for two decades for you and your family.

Helping protect the financial future of your loved ones is critically important. With so much unpredictability in the world, having a policy to ensure they’ll still have help meeting their monetary needs if something happens to you is one of the best ways to prepare for the unknown.

The American Chemical Society can help with our competitively priced group 20-year level term life insurance. This policy lets you lock in coverage two entire decades with rates that will remain level throughout the entirety of your term—regardless of changes in age or health.

Highlights include:

**Spouse/domestic partner coverage**²

Your significant other deserves the opportunity for financial stability just as much as you do. This policy makes it convenient for you and your spouse or domestic partner to consolidate your coverage under one umbrella.

**Coverage for unmarried dependent children (age 25 and under)**

Our level term life coverage is built for the whole family. Insuring your child can mitigate financial hardship if you face an unthinkable time.

**Member-only rates made possible through group purchasing**

Group purchasing allows us to offer rates that may not be available through an individual policy.

**Volume discounts and non-smoker rates**

You’ll receive a discount on your premium for coverage amounts over $200,000. Additionally, you may be eligible for lower rates if you haven’t used a nicotine product in the past 24 months.

**Portable coverage that stays with you throughout career changes**³

If you have life insurance through your employer, you’ll lose it if you change jobs. Not so with our policy—you can take it with you wherever you go.

³As long as you pay your premiums when due, maintain your ACS membership, and the group policy remains in force

²Spouse/domestic partner coverage amount cannot exceed member coverage amount

Wondering about the practical applications of 20-year level term life insurance?

Here are three scenarios for you to consider:

You’re raising children.

If you pass away, your children will still need financial support as they grow up. 20-year level term life insurance can make sure they’ll have help with things like buying their first car, affording college, or even paying for a wedding.

This coverage provides the comfort in knowing that if something happens to you over the next two decades, your children will still be able to chase their dreams.

You’re planning on buying a home.

Buying a house doesn’t come cheap. Most people finance the purchase through a mortgage under the assumption they’ll be around to keep paying it off for years to come.

Unfortunately, that assumption isn’t always accurate. But even if you’re no longer around, 20-year level term life insurance can help your remaining family members continue affording the home they love.

You have elderly loved ones to care for.

Taking care of aging family members can be a big financial commitment. Yet you still love them and want to do what you can to help.

A 20-year level term life policy can help ensure your familial elders will continue receiving the healthcare and living assistance they deserve if you’re no longer around to provide direct financial support.
Who qualifies for this coverage?

All ACS members and Society Affiliates, under age 55, and their lawful spouse/domestic partner, under age 55, residing in the U.S.* (except territories), Puerto Rico, or Canada (except Quebec), and all unmarried dependent children through age 25 are eligible to apply for coverage. In order to become insured, individuals must be a member of the ACS, provide satisfactory evidence of insurability, and pay the required premium. A dependent who is also a member is eligible for either member or dependent coverage, but not both. If both the member and spouse/domestic partner are covered as members, neither may insure the other as spouse/domestic partner and only one may insure any eligible children.

*Certain state eligibility restrictions apply

What value-added features are included in the policy?

Portability—Unlike insurance through an employer, your ACS Group 20-Year Level Term Life Insurance stays with you even if you change jobs, provided you maintain your ACS membership, pay your premiums when due, and the group policy remains in effect.

20-Year Rates—Choose the amount of group 20-year level term life insurance you need at rates guaranteed not to change for the next 20 years.

Member: $100,000 to $2,000,000 (in $1,000 multiples)

Spouse or Domestic Partner: $100,000 to $2,000,000 (in $1,000 multiples not to exceed 100% of member’s coverage)

Each Unmarried Dependent Child: $500 under 6 months of age; 2,500 to $10,000 for age 6 months through 25 years (in $2,500 multiples)

The aggregate maximum amount of life insurance in force for all New York Life ACS Group Life Insurance policies may not exceed $2,000,000 (in $1,000 multiples not to exceed $2,500,000 for age 6 months through 25 years (in $2,500 multiples)

Accelerated Death Benefit—An insured member (or insured spouse/domestic partner) would be eligible to request one advance payment of up to 75% of your in-force life insurance if you are diagnosed as terminally ill with a life expectancy of 12 months or less (Illinois residents, 24 months). You can use all the money received under the accelerated death benefit in any way you choose—pay bills, maintain your quality of life, or for any other financial obligation—to help ease the burden during a difficult time. Full premiums will continue to be payable. Please note that receipt of the accelerated death benefits may affect your eligibility for public assistance programs and may be taxable. Prior to applying to receive such benefits, you should consult with the appropriate social services agency and seek the advice of a qualified tax advisor. Please see the Certificate of Insurance for full terms, conditions, and limitations.

What happens after the initial 20-year term?

If still eligible, you and your spouse/domestic partner may reapply for a subsequent 10 or 20-year term at the rates in effect at that time. Rates for the subsequent term would be determined based on your then current age, health, and tobacco/nicotine use, and be guaranteed for the 10 or 20-year term. If you don’t apply or aren’t approved for another term, your coverage will continue, but on a non-guaranteed rate basis, with increasing premiums as you age. Call the Plan Administrator for details.

Effective Date

Coverage will take effect on the date the request for insurance is approved by New York Life, provided the person to be insured is performing the normal activities of a person in good health of like age on the date of approval (residents of Maryland and North Carolina: Any reference to “performing normal activities of a person in good health of like age” is replaced by the requirement that the health status of any proposed insured person remain the same as stated in your application). The normal activities requirement does not apply to dependent life coverage for children.

When Coverage Ends

Coverage will end if:

• The insured reaches age 75 (age 26 for dependents)

• Premiums are not paid when due

• The group policy is terminated or modified by the policyholder to end insurance for the group of insureds to which the member belongs

• Your ACS membership terminates; or

• The insured requests to terminate the insurance.

Dependent child coverage will terminate when the child is no longer an eligible dependent.

Name Your Beneficiary

Your beneficiary is the person(s) last designated by you or your spouse/domestic partner in writing, and recorded by or on behalf of New York Life. You are the automatic beneficiary for dependent child insurance, as described in the Certificate of Insurance.

Ownership of Insurance

“Owner” means the person or entity with rights of ownership of this insurance as described in the Certificate of Insurance. If a transfer of ownership has been recorded, by or on behalf of New York Life, or initial ownership is by other than the member according to the information provided on the application, references throughout this policy information to “you” or “member” will mean “owner,” as applicable.

Exclusions

Benefits are paid for death from any cause, at any time, anywhere in the world,* except if relating to suicide within 24 months of coverage approval date. (Missouri residents: suicide is not excluded unless intended when you applied.) The validity of any amount of your life insurance, which has been in force for two years during an insured’s lifetime, will not be contested except for insurance eligibility provisions and non-payment of premium contributions.

*Subject to U.S. government regulations on restricted countries.

**RATES FOR CHILDREN**—$3.00 annually per $2,500 benefit unit. Maximum number of benefit units is 4.

The premium contributions shown reflect the current rates (as of January 1, 2021) and benefit structure. You will be billed semiannually on April 1 and October 1. At the end of the 20-year period, the INSURED MEMBER or INSURED SPOUSE/DOMESTIC PARTNER may elect to reapply for 20-year level term rates covering subsequent 20-year periods if he or she is less than age 55. Rates will be based on then current age, health, and tobacco/nicotine use. The INSURED MEMBER’S or INSURED SPOUSE’S/DOMESTIC PARTNER’S CONTRIBUTION will automatically be calculated on a non-guaranteed basis if he or she: (1) is not approved for the 20-year term life rates; (2) is age 55 or over; or (3) does not elect to reapply for 20-year term life rates.

Montana residents: Male rates apply to everyone regardless of gender. The cost of this life insurance is based upon the member and spouse/domestic partner’s gender, amount of insurance requested, usage of tobacco/nicotine products, health status, and attained age on the date coverage is issued.

Only non-smokers meeting the highest underwriting standards will qualify for “Preferred” rates. Other non-smokers may qualify for higher “Select” or “Standard” rates. (Note: Smokers may only qualify for “Standard” rates.) Upon approval of your application, you will be notified of the rate classification for each approved person.
