Wondering about the practical applications of high-limit accidental death and dismemberment insurance?

Here are two scenarios for you to consider:

You drive a car.

Driving can be an essential part of transportation. Unfortunately, road accidents cause over one million deaths each year, while an additional 20–50 million people suffer non-fatal injuries.*

Having this policy can help make sure you or your family gets crucial financial help if the insured is involved in a covered accident.

*“Road traffic injuries.” World Health Organization, 7 February 2020.

You use power tools.

Whether you’re a DIY fixer around the house or enjoy building things as a hobby, power tools can carry a real risk of injury. This coverage can help you pay medical bills or take time off work for recovery if you’re involved in a tool-related accident that leads to the loss of a digit, limb, or worse.

Who qualifies for this coverage?

Acceptance is guaranteed for all eligible members and Society Affiliates residing in the United States (except territories), Puerto Rico, or Canada (except Quebec). Acceptance is also guaranteed for your lawful spouse/domestic partner and unmarried dependent children between the ages of 1 and 26 (including legally adopted children and stepchildren) if you elect to include them in the coverage.

*Certain state eligibility restrictions apply

What value-added features are included in the policy?

Portability—Coverage under the ACS Group Accidental Death & Dismemberment Insurance Policy is completely portable, staying with you even if you change jobs. Your coverage continues as long as the group policy remains in effect, you maintain your ACS membership, and pay your premiums when due.

Choice of Benefits—Group AD&D coverage is not a substitute for life or health insurance. However, the policy is designed to be an important addition to a personal insurance portfolio, providing substantial coverage at member-only rates. Select your benefit level from—$50,000 to $500,000 (in $50,000 increments). Then decide if you want coverage for yourself or for your entire family. If you also elect spousal/domestic partner coverage, their maximum benefit will be equal to 50% of your benefit. The maximum benefit payable for dependent children will equal 5% of your benefit.

You’ll be protected 24 hours a day, at home, at work, or on the road—even while vacationing—in virtually every possible accident situation.
Benefit Schedule
You will be paid a percentage of your total benefit amount based on the loss suffered, as detailed below:

100% Benefit covered for:
- Accidental loss of life
- Loss of two limbs
- Loss of sight in both eyes
- Loss of one limb and sight in one eye
- Loss of speech and hearing
- Loss of movement of both upper and lower limbs (quadriplegia)

75% Benefit covered for:
- Loss of movement of both lower limbs (paraplegia)

50% Benefit covered for:
- Loss of one limb
- Loss of sight in one eye
- Loss of movement of both upper and lower limbs on one side of body (hemiplegia)
- Loss of speech or hearing

In the event of multiple injuries to a single insured person, no more than the maximum benefit will be paid for all injuries.

Defining Losses
The following losses are covered when they result from and occur within 120 days after accidental bodily injuries are sustained by the insured:

- Loss of hand means actual severance through or above the wrist
- Loss of foot means actual severance through or above the ankle
- Loss of sight must be entire and irrecoverable

Benefits are not payable for any loss due to intentionally self inflicted injury or suicide while sane or insane; disease; infection (except for infections which occur through an accidental cut or wound); or war or acts of war other than as a victim.

Repatriation Benefit
If an insured person’s death occurs outside the territorial limits of the state or country of his or her permanent residence, and is a covered loss, the policy will pay a repatriation benefit that is the lesser of: (a) the actual cost of cremation or preparing the body for burial and transportation of the body to the burial or cremation site; or (b) $5,000. The repatriation benefit is limited to: (a) preparation of the body for burial or cremation; and (b) transportation of the body to the place of burial or cremation.

30-Day Free Look
If you are not completely satisfied with the terms of your Certificate of Insurance, you may return it, without claim, within 30 days. Your coverage will be invalidated and you will receive a full refund of any paid premium—no questions asked!

Effective Date
Your coverage will become effective on the day of approval of your application by New York Life Insurance Company, provided you pay your premium when due and are performing normal activities of a person of like age on that day. If you elect spousal/domestic partner or dependent coverage when you enroll, that coverage will become effective when yours does.
