As a member of the American Chemical Society (ACS), you can help safeguard your assets from the devastating impact of a serious injury or accidental death by applying for ACS Group High-Limit Accidental Death & Dismemberment Insurance.

Offering affordable rates, this plan gives you access to the added protection your family may need if a catastrophe strikes:

- Benefit levels from $50,000 to $500,000—in $50,000 increments
- Constant coverage—around-the-clock and worldwide
- Guaranteed acceptance—for you and your family
- Repatriation benefit—helps with return of an insured’s body when a covered death occurs in another state or country
- Online premium payment option—save time by paying through an easy, secure website

Acceptance is also guaranteed for your lawful spouse/domestic partner and unmarried dependent children between the ages of 1 and 26 (including legally adopted children and stepchildren) if you elect to include them in the coverage.

Choice of Benefits
Group AD&D coverage is not a substitute for life or health insurance. However, the plan is designed to be an important addition to a personal insurance portfolio, providing substantial coverage at competitive rates. Select your benefit level from—$50,000 to $500,000 (in $50,000 increments). Then decide if you want coverage for yourself or for your entire family. If you also elect spousal/domestic partner coverage, their maximum benefit will be equal to 50% of your benefit. The maximum benefit payable for dependent children will equal 5% of your benefit.

You’ll be protected 24 hours a day, at home, at work, or on the road—even while vacationing—in virtually every possible accident situation.

The premium contributions shown reflect the current rates (as of January 1, 2020) and benefit structure. Premium contributions may be changed by New York Life on any premium due date but not more than once in any 12-month period, and on any date on which benefits are changed. Your rate may change only if it is changed for all others in the same class of insureds under this group policy. For example, a class of insureds is a group of people with all the same issue age and gender. Rates shown are paid semiannually on April 1 and October 1. Benefit option amounts are subject to change by agreement between New York Life and the ACS Board of Trustees.
