*Roughly 28.5% of all hospital emergency department visits in the United States are injury-related.*

**Portable Protection**

Coverage under the ACS Group Hospital Indemnity Insurance Plan is completely portable, staying with you even if you change jobs. Your coverage continues as long as the group policy remains in effect, you maintain your ACS membership, and you pay your premiums when due.

**Eligibility Requirements**

All eligible members and Society Affiliates residing in the United States (except territories), Puerto Rico, or Canada (except Quebec) are guaranteed acceptance if under age 65. Acceptance is also guaranteed for eligible spouses/domestic partners (under age 65) as well as for dependent children. Newborns are automatically covered for 31 days from birth. If the newborn is the first child, coverage can be extended by completing the appropriate enrollment forms and paying the additional premium. All future children are then automatically covered at no additional cost.

**Coverage for Life**

You are covered for life, as long as you remain a member of the ACS, pay your premiums when due, and the group policy remains in force. Your spouse/domestic partner and dependent children will remain covered as long as they continue to meet eligibility requirements and the appropriate premiums are paid (limitations apply after age 65).

The premium contributions shown reflect the current rates (as of January 1, 2019) and benefit structure. Premium contributions may be changed by New York Life on any premium due date but not more than once in any 12-month period, and on any date on which benefits are changed. Your rate may change only if they are changed for all others in the same class of insureds under this group policy. For example, a class of insureds is a group of people with all the same issue age and gender. Rates shown are paid semiannually on April 1 and October 1. Benefit option amounts are subject to change by agreement between New York Life and the Board of Trustees.

Preimums increase on the premium due date coinciding with or next following the date that a member enters a new age bracket.
Choice of Benefits

ACS Group Hospital Indemnity Insurance pays you up to $300 a day for up to 365 days, any time you’re hospitalized. These benefits—payable in addition to any other insurance you may have—are sent directly to you to use in any way you wish. You may select from six daily benefit amounts—$50, $100, $150, $200, $250, or $300, depending on your needs. You can choose to cover just yourself or include your spouse/domestic partner and unmarried dependent children under age 26 (including legally adopted children and stepchildren). There is a maximum $50 daily benefit paid for children, and the spousal/domestic partner daily benefit cannot exceed the member’s.
