Who qualifies for this coverage?

All ACS members and Society Affiliates who reside in the U.S. (except territories), Canada (except Quebec), or Puerto Rico may apply for Basic Group Term Life ($25,000) protection. ACS members and their spouse/domestic partner, under age 70, may apply for additional coverage to $2,000,000 (in $5,000 increments); spouse coverage may not exceed member benefits. All unmarried, dependent children under age 30 are also eligible for coverage—$7,500 for children one year and older; $400 for children under one year.

If you are under 65 and applying for up to $250,000 in coverage, you may qualify for our faster, more streamlined automated underwriting process.

A dependent who is also an ACS member is eligible for either member or dependent coverage, but not both. If both spouses/domestic partners are covered as members, neither may insure the other as spouse/domestic partner and only one may insure any eligible children.

The aggregate maximum amount of life insurance in force for all New York Life ACS Group Life Insurance policies may not exceed $2,000,000 per insured individual.

Certain state eligibility restrictions apply.

When would my coverage take effect?

Coverage is effective on the day of approval of your application, provided you pay your premium when due and are performing normal activities of a person in good health of like age on that day. (Residents of Maryland and North Carolina: Any reference to “performing normal activities of a person in good health of like age” is replaced by the requirement that the health status of any proposed insured person remain the same as stated in your application.) If you are temporarily disabled at the time your application is approved, coverage will be effective on the first day you return to normal activities. Coverage for dependents will be effective on the same day as your coverage, provided they are not totally disabled on that day. Additional coverage for you or a dependent spouse/domestic partner will become effective on the day of approval of the application by the insurance company. All applications for coverage are contingent upon New York Life Insurance Company’s approval of satisfactory evidence of insurability.

Protecting Life’s Elements
When Coverage Ends

Coverage will end if: premiums are not paid when due; the group plan is terminated or modified by the policyholder to end insurance for the group of insureds to which the member belongs; your ACS membership terminates; or the insured requests to terminate the insurance. Dependent coverage will terminate when the dependent spouse/domestic partner or child ceases to be an eligible dependent. Coverage for children terminates at age 30.

QuickDecision℠

QuickDecision℠—coverage up to $250,000 (for those under age 65) may be eligible for automated underwriting, which allows the carrier to make an underwriting decision in real time. Based upon information gathered and medical questions answered online during the application process, a decision to approve your request for coverage can be delivered faster than ever before.∗

∗Most QuickDecision℠ applications can be processed without the need for follow-up; however, in certain cases a representative may need to contact you to verify information or to arrange a visit with a medical professional. QuickDecision℠ is not available for residents of CA, MT, MN, and VA.

What value-added features are included in the plan?

$15,000 of Accidental Death and Dismemberment Coverage—automatically included in members’ coverage to provide additional protection in the event of a fatal accident or covered accidental injury such as loss of limbs or eyes. See Certificate of Insurance for specific amounts.

Disability Provision—allows you to collect $25,000 of Basic Group Term Life Insurance over a five-year period if a total or permanent disability occurs prior to age 60 (member coverage only, see Certificate of Insurance for details). The application must be made no later than one year from the date you become disabled. The premium on any additional coverage will be waived while the total disability continues.

Inflation Guard—lets you increase your insurance amount by 10% for 10 years, gradually doubling it. If approved, the increase is automatically included each year as long as you are under age 55 and not totally disabled. Simply choose to accept or decline the additional 10%, but once declined, it cannot be resumed. Your total premium increases annually to reflect your increased benefit amount at your then current age. (Member and Spouse/Domestic Partner coverage only. Not available to children.)

Accelerated Death Benefit—provides you and your Spouse/Domestic Partner (if covered) with the option to apply for one advance payment up to 75% of your in-force life insurance while alive, if you’re diagnosed as terminally ill with a life expectancy of 12 months (Illinois residents: 24 months) or less. You can use all the money received under the accelerated death benefit in any way you choose—pay bills, maintain your quality of life, or for any other financial obligation—to help ease the burden during a difficult time. For terms, conditions, and limitations, please see the Certificate of Insurance. Full premiums continue to be payable. Please note that receipt of accelerated death benefits may affect your eligibility for public assistance programs and may be taxable. You should consult with the appropriate social services agency and seek the advice of a qualified tax advisor prior to applying to receive such benefits. Amount received at time of insured’s death will be reduced by any payment made under this benefit.

Does ACS provide any premium credits?

Yes! The Board of Trustees, Group Insurance Plans for ACS Members regularly approves premium credits on new and renewed policies. The premium credit for 2020 is 20%, and the Term Life Plan Trust Fund pays these credits to the insurance carrier. That means that in addition to the group discount you receive as an ACS member, you pay only 80% of the gross premium. Premium credits are not guaranteed and vary from year to year, depending on claims experience.

30-Day Free Look

If you are not completely satisfied with the terms of your Certificate of Insurance, you may return it, without claim, within 30 days. Your coverage will be invalidated and you will receive a full refund of any paid premium—no questions asked!

HOW TO CALCULATE YOUR SEMIANNUAL COST: The amount of life insurance for you and your spouse is based on each person's age at their last birthday. To find the semiannual premium contribution for members or spouses, find your age, and multiply the amount shown per $1,000 for the amount of insurance you need. Example: Member age 42 requesting $250,000 of insurance rate with the 20% premium credit. 0.307 x 250 = $76.75. Add the cost for spouse with the same calculation and then add children's coverage to the cost if this additional coverage is requested. You will be billed semi-annually, April 1st and October 1st.

IMPORTANT INFORMATION: The premium contributions shown reflect the current rates and benefit structure (as of Jan. 1, 2020). Premium contributions may be changed by New York Life on any premium due date, but not more than once in any twelve-month period, and on any date on which benefits are changed. Benefit option amounts are subject to change by agreement between New York Life and the Board of Trustees.

The Annual Rate is the Semiannual Rate shown times a factor of 1.985.

Premiums increase on the premium due date coinciding with or next following the date that a member enters a new age bracket.
IMPORTANT NOTICE: How New York Life Obtains Information and Underwrites Your Request for Group Term Life Insurance

In this notice, references to “you” and “your” include any person proposed for insurance. Information regarding insurability will be treated as confidential.
