

Prescription Drug Plan

As a member of this Prescription Discount Plan, you can save from 10% to 85% on name brand and generic prescriptions at over 60,000 select pharmacies nationwide. The discount plan is simple to use. The member simply shows the membership card and prescription at a participating pharmacy to receive the discounted rate. There are no additional forms required.

Savings Examples

Drug Name	Avg. Price	You Pay*	Savings*	% Saved*

* Savings and pricing will vary by pharmacy, location and geographical area.

To Find a Participating Pharmacy Near You:

1. Refer to the enclosed provider list; or
2. Call Customer Service toll-free at the number listed on your membership card; or
3. Go to www.findbestbenefits.com and use the Personalized Provider List to obtain a list of participating pharmacies in your area.*

*While our provider lists are continually updated, provider status can change. We recommend that you confirm the provider you selected participates in the program before dropping off your prescription.

Pharmacy discounts are not insurance and are not intended as a substitute for insurance. **The discount is only available at participating pharmacies.** Some health insurance providers may offer coverage for this service. Please check with your health insurance provider to understand your prescription drug coverage.

Note: The Prescription Discount Program cannot be used in conjunction with any other discount program.
