

TelaDoc Plan

The TelaDoc plan offers 24/7 access to board-certified physicians who can resolve routine medical issues by phone or online. If you are considering a trip to the ER, urgent care center or minute clinic for a non-emergency issue or if you are on vacation or on a business trip away from home you can use TelaDoc to access quality medical care. There is no time limit with consultations so you can take your time. The TelaDoc network of doctors can treat children of any age.

Benefits Include:

1. On demand care – talk to a doctor anytime, no matter where you are
 2. Prompt diagnosis for faster treatment
 3. No time limit with consultations
 4. Doctors can treat children of any age
 5. Your health record is secure and portable
 6. Save money on expensive ER or urgent care visits
-

TelaDoc does not replace the primary care physician. TelaDoc does not guarantee that a prescription will be written. TelaDoc operates according to state regulations and may not be available in certain states. TelaDoc does not prescribe DEA controlled substances non therapeutic drugs and certain other drugs which may be harmful because of their potential abuse. TelaDoc Physicians reserve the right to deny care for potential misuse of services.
